TECHNICAL DATA SHEET

Yellow Glue Trap – Flying Insect Catcher

Product Name

Yellow Glue Traps for Flies, Aphids and Flying Insects

Product Description

Professional yellow adhesive trap designed for effective monitoring and control of flying insects such as flies, aphids, and other pests. The bright yellow color attracts insects, while the high-performance adhesive ensures strong and long-lasting capture.

Composition

- Polybutylene / Polybutene: 70–80%
- Petroleum Resin: ~20%
- Thermoplastic Elastomer (SIS): ~10%

- ✓ Non-toxic formulation
 - ✓ No chemical insecticides
-

Physical & Chemical Properties

- Appearance: Yellow / off-white viscous adhesive

- Odor: Mild
 - Solubility: Practically insoluble in water
 - Stability: Stable under normal conditions
-

Performance & Advantages

- High attraction due to bright yellow color
 - Strong, long-lasting adhesive performance
 - Effective for monitoring and mass trapping
 - Safe for use in agricultural, industrial, and domestic environments
 - Suitable for use near food areas (subject to local regulations)
 - Non-hazardous for transport
-

Safety Information

- Not classified as hazardous according to GHS
- No acute toxicity data available
- Avoid prolonged contact with skin and eyes

First Aid Measures:

- Skin contact: Wash with soap and water
 - Eye contact: Rinse thoroughly with water for at least 15 minutes
 - Inhalation: Move to fresh air if needed
 - Ingestion: Rinse mouth and seek medical advice
-

Handling & Storage

- Store in a cool, dry, well-ventilated place
 - Keep away from heat, flames, and ignition sources
 - Avoid contact with strong oxidizing agents
-

Transport Information

Not classified as hazardous for transport (road, air, or sea)

Disposal

Dispose of in accordance with local regulations.
Can be handled as general waste or via licensed disposal services.

Applications

- Greenhouses and agriculture
 - Pest control professionals
 - Warehouses and industrial facilities
 - Domestic use
-

Note

This product works by physical trapping only and does not contain active pesticide ingredients.
